

TUTORIAL – 14: E-BOOK: THE BOOK OF KNOWLEDGE

Dear Parents / Students,

Warm Greetings!

Knowledge sharing is of paramount importance for all ages especially for those pursuing their academic career. Knowledge helps you to grow and broaden your horizon. Having only a fixed set of skills is not adequate, you need to acquire greater knowledge of the things and environment around you and it is only then that you can claim to be worldly wise.

This “ THE BOOK OF KNOWLEDGE ” gives you an insight of the various interesting facts around you which shape your overall knowledge and vision in life and carries you forward in the years to come.

So step into the world of knowledge and be wiser as you grow.
