

TUTORIAL – 6: KHAN ACADEMY

Dear Parents / Students

Warm Greetings!

Khan Academy is a personalized learning resource for all students of different age groups which we are forwarding to you in the best interest of your child. This program consists of instructional videos, practice exercises and a personalized learning dashboard that empowers learners to study at their own pace on various subjects like Maths, Science, History, Art History, Economics, Grammar, Computing and more.

One can log into Khan Academy with their Google Account (Gmail-id) by clicking the link given below:

<https://www.khanacademy.org>

This website is free of cost. Once logged in, select the Grade and subject to access the resources.

This is a very useful website not only during the lock down period but also during normal school times and therefore we would request the parents to encourage their children to patronize this website.
