

TUTORIAL – 11: " TELL ME WHY " - THE CHILDREN'S

ENCYCLOPEDIA

Dear Parents / Students

Warm Greetings!

" **TELL ME WHY** " is a comprehensive Children's Encyclopedia which covers a wide spectrum of topics which are of immense academic value to students of all classes.

It is easy to follow as it is in the audio-visual format and virtually answers all question generally asked by students.

An attempt has been made to compile this information under eight disciplines as shown below.

Please entertain yourself while you learn.

COMPUTERS, INTERNET, SCIENCE, SOUND & ENERGY, ANATOMY & GENETICS:
