Circular No. 013/Kidnapping/2024-25

PRECAUTIONARY MEASURES AGAINST KIDNAPPING

Dear Parents / Guardians,

- 1. Cases of kidnapping of children are often reported in the media. It is therefore necessary that all possible precautionary measures are taken to avoid such cases.*
- 2. Students from all classes are being regularly informed in the Assembly as well as in the class on the precautionary measures to be taken while coming to or going back from School as well as when they go out on other occasions. The precautionary measures being told to them are: -*
 - (a) Never speak to or go out with a stranger.*
 - (b) Do not take or eat anything from any stranger.*
 - (c) In case any vehicle (Auto, Car, Rickshaw, Van Etc.,) stops to give you a lift never accept it and inform your parents or the School of such incidence.*
 - (d) In case a stranger tries to attract you by saying something or tries to give you anything to eat never accept it.*
 - (e) Always keep your parents informed where you are going and by what time you are coming back.*

(f) Never walk on lonely roads, especially at night or on roads without street lights.

(g) In case any unknown person or stranger comes to the School gate and tells you that your parents have sent him/her to pick up never fall a prey but immediately come back and inform any teacher.

3. It is requested that the above aspects may also please be informed to your children regularly. In addition, kindly see that the following measures (as applicable) are taken in the best interest of your child: -

(a) Check and verify the safety of the means of transportation to School which you have chosen for your child.

(b) Drop and pickup your child from the bus stop/School, especially young children.

(c) In case you are sending your child by private means of transportation check-up the credentials of the Driver and Conductor and keep a copy of their Driving License, Vehicle Regn. No., Address, Telephone Numbers etc., for safety.

(d) In case your child has not reached your home at usual time, immediately get in contact with the School and also make inquiries.

(e) Please see that your child wears the School Identity Card round the neck all the times.

4. As a measure of security, the School has installed CCTV cameras at the School gates and in the Campus.

5. We would request the parents to cooperate with us in this matter.
